**February 22, 2022**

Dear Alumni,

President Clarence D. Armbrister and members of the Division of Institutional Advancement team invite you to return to campus and celebrate the anniversary of your graduation during Alumni Reunion Weekend 2022, held Friday, May 13, through Sunday, May 15, 2022.

Alumni Reunion Weekend is the perfect opportunity to reconnect, reminisce, and celebrate your achievements as a Golden Bull. The following classes are in reunion this year – 1942, 1947, 1952, 1957, 1962, 1967, 1972, 1977, 1982, 1987, 1992, 1997, 2002, 2007, 2012, and 2017. We are making plans for you and your classmates to connect in-person or virtually for this auspicious occasion so that our options support the University's approach to the growing concerns around the global pandemic. We appreciate your patience as we continue to navigate the impact of this virus.

Our goal is to ensure that your reunion experience is engaging and enjoyable. We trust you are looking forward to the opportunity to fellowship with your classmates and to witness the progress and expansion that is taking place at Johnson C. Smith University.

Enclosed you will find the 2022 Alumni Reunion Registration form for completion. As you prepare for Alumni Reunion Weekend, we ask you to consider making a gift to the University. The spirit of reunion inspires many alumni to make significant contributions above and beyond regular annual fund gifts. No matter when you make a contribution, giving through the annual fund provides core support to the University's needs. *All contributions must be made by Thursday, June 30, 2022 to be accounted for in this fiscal year.*

We appreciate your support and ask that you consider becoming an annual donor. As you revisit the past, we hope that you will contribute this year and if possible consider increasing your commitment. Please view your gift as more than a donation, but as an investment in the future and success of Dear Ol' JCSU. We look forward to seeing you during Alumni Reunion Weekend.

Hold High the Gold and Blue,

Wanda B. Foy-Burroughs '73  
Director, Alumni Relations

Antia Dawkins, MBA
